If you go to the website **ferienpass-hamburg.de** you will find many fun holiday offers in Hamburg and the surrounding area.

There are so many events, in fact, that it can be hard to keep up and easy to feel overwhelmed. But don't worry – Jan and Jette are here to help. They will show you how to find a holiday offer that is right for you over the next few pages.

Jan and Jette and the Youth Information Centre team hope you have a great holiday!

The Hamburg Holiday Pass is valid during all school holidays in Hamburg. You can find it online on this page: **ferienpass-hamburg.de**. There are lots of offers and events there. Jan and Jette will show you how easy it is to find an offer that is right for you.

There are categories and filters.

The categories provide you with an initial overview. If you like playing sport, for example, you can look in the 'Sport and games' category. If you would like to discover Hamburg, then 'Adventure and discoveries' is the category for you.

If you would like to go on a trip with your family, check out the 'Hamburg area' category.

If you would like to travel without your parents, click through the 'Travel' category.

You can use the filters to narrow down the search results further.

You can search for courses for your age group and for classes that are taking place in your neighbourhood ('Offers in your area' or 'Postcode').

You can search for offers taking place within a specific period, for example, only ones happening during the summer holidays or on a particular day.

You can also filter specifically for offers

that can be paid for via the Bildungspaket (education and participation scheme).

Another search option will show you offers that children and young people in wheelchairs can also take advantage of.

The 'Offers for rainy days' filter will display events that are fun even in Hamburg's murky weather and that you can go to on the spur of the moment without having to register beforehand.

If you are a girl and would like to spend the holidays exclusively with other girls, tick the 'Offers only for girls' filter.

If you already know what it is you would like to search for, then use the 'Browse all courses' field. Simply enter your search term, for example 'Chess'. You will then be able to view all chess courses.

By using the filters, the search function and the categories, you can easily narrow down the many Holiday Pass offers to find events that are right for you.

Jan and Jette hope you have a great holiday!

You can find information online in Arabic, English, Farsi, French, Polish, Russian, Spanish, Turkish and Ukrainian at hamburg.de/ferienpass.
